

# The innovative home centre

**D**O you want the best of both worlds; flexibility and individualism of a custom-designed and built home, without the headaches and big price tag?

Do you long for the ease, efficiency and economic benefits of choosing a project home, but not the one-size-fits-all approach?

Welcome to Glen Loddon Homes!

Long established in Bendigo, Glen Loddon Homes is a quality, owner-operated home builder that combines unique and individual home designs, inspirational choice, flexibility, craftsman construction and exceptional value.

“Every member of our team strives to exceed your expectations. Customer service and satisfaction, quality and best value are

our priorities,” Kellie Aveyard, new home consultant for Glen Loddon Homes says.

“To inspire your choice of home we offer an extensive selection of ‘standard’ Glen Loddon designs. Though they are anything but standard, packed full of features the others call ‘extras’.

“These have been carefully designed to meet a wide range of needs, including the latest in lifestyle innovations, flexible spaces and also catering for accessible living. We design and build for all land sizes, including acreage.

“We recognise everyone has individual needs and preferences, so Glen Loddon Homes excels at customising designs just for you.

“We are versatile and practical problem solvers determined to deliver exactly the home you want - for the way you want to live.

“Importantly, we are honest and upfront, so you always know where you stand. There is no fine print and your fixed price contract is just that - fixed.

“We also understand that many clients appreciate the convenience of having access to the Glen Loddon Innovative Home Centre, seven days of the week,” Kellie adds.

Located at 53 Wills Street, Bendigo, and now opening on Saturday and Sunday between 11am and 2pm, the Innovative Home Centre is a unique facility which provides a first class showcase of the exceptional finish Glen Loddon Homes is renowned for and is one of the many innovative ideas that have helped make Glen Loddon Homes Bendigo’s most preferred builder.

Call Kellie Aveyard on 0407 310 906 or the office on 5442 8500.
